Dear C-SPAN:

I wanted to drop you a note to let you know how useful & thorough I found your coverage of the National Party conventions this summer. With this year being my first for watching C-SPAN election coverage, it was fascinating to use your broadcast as a "monitor" while hopping channels for network commentaries, comparing them to the "real" convention on C-SPAN. No average American could absorb this moment in our history without the gavel-to-gavel coverage you've restored to us. Many thanks from the increasingly enlightened Americans who watch C-SPAN.
