Shame on C-Span for
openly joining the "Clinton
Cheer leaders"

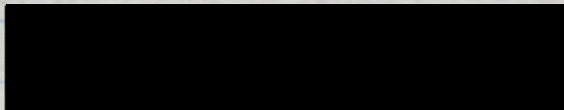

Your morning call in program
all last week (3-66-94) was
a disgrace -

You must have noticed
the many calls that came
thru agreeing with me -

along with the Net-
work news - You are not
worth listening to any
more -

You were our last
hope - and now you're gone

Sincerely

Rome, GA 30161
