

Dear Mr. Lamb:

2/25/93

Every morning I wake up to C-SPAN and all I see and hear are Republicans whining and complaining. If it isn't Republican legislators it's Republican journalists. If it isn't Repug journalists - it's Republican organizations. All of it is hot air, low I.Q., poor loser mentality. This is not a good way to start the day! After 12 years of liars and crooks we need some fresh air!

Please find some new people with new ideas. Sincerely,

[REDACTED]
