I watch C-span 1 on Front  
Cable Network and could not  
live without it. I would  
love C-span 2 but it is  
not available.

Question: Since C-span is  
~~is~~ totally-funded by the  
network, should it be  
included in the "basic"  
schedule of programming?

We must pay a much higher  
rate for it as it is in the  
upper tier.
