

3/4/94

To - C - Span -

Your programs - of
all sorts - are always
so excellent that I was
horrified at the time ^{and}
exposure you gave to
ordinary and usually revolting
talk - shows. I hope

you NEVER do it again -
lower yourself to those
levels. Stay to your tried
& true format which is
uplifting, informative & great in
the best sense. — [REDACTED]
