C-Span T.V.

Washington, D.C. 20071

Dear Mr. Lamb;

We watch C-Span whenever possible and feel that it is a marvelous, educational program. Keep up the good work and more programs should be like it.

About 1930, my Cousin [redacted] of Worcester, Massachusetts, married a Mr. Lamb (I am sorry that I never knew his first name) and lived in Lake George, N.Y. where he was principal and Superintendent of the schools there. He wrote at least one history book. They had three sons.

Some time ago, you hinted on T.V. that you were familiar with the area of Schenectady, N.Y. for you grew up near there. Should it be possible that you are related or have connections in some way to this family?

My relation with this family is that [redacted] mother was my Aunt on my father's side.

My Address is:

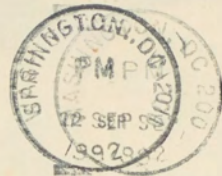

[redacted]

Pittsfield, Mass 01201

Cordial,

Mr. Brian Lamb.
