# BAD BOY

THE LIFE AND POLITICS OF  
LEE ATWATER

---

**John Brady**

The things we admire in men, kindness and generosity, openness, honesty, understanding and feeling are the concomitants of failure in our system. And those traits we detest — sharpness, greed, acquisitiveness, meanness, egotism and self-interest — are the traits of success. And while men admire the quality of the first, they love the produce of the second.

— John Steinbeck, *Cannery Row*
