

7/13/92

Dear Mr Lamb. + Staff at C-Span

I know you will be receiving
Millions of Kudos for your Democrat
Convention Coverage, But as a long
time viewer I want to add my
thanks for your ~~consistent~~ and fair
Coverage of Current Political Issues.

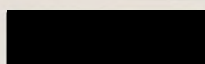

When I retired in '91 high on my
list of Criteria for a place to live was
that I had to have Cable in order
to receive C-Span.

Sincerely
