Dear Sir:

I read in our newspaper  
a commentary taken from the  
Orlando Sentinel by Greg  
Dawson "On TV news, a  
saint doesn't have a  
prayer." It was about the  
speech Mother Teresa  
spoke at the National  
Prayer Breakfast in  
Washington & Coverage by  
C-SPAN. I did not  
see it but I am in -

- trusted in obtaining the  
speech if this is possible.

Please advise me if this  
is possible or send me a copy.

Thank you for your attention  
to this matter -

Sincerely,
