

7/5/93

I wish to compliment you on the fine program aired this morning, with Brian Lamb interviewing Howard Baker, Pierre Salinger, and Jeane Kirkpatrick.

This is the kind of low-key, informative interview program that I enjoy on C-SPAN. Brian Lamb is an excellent interviewer, keeping the conversation moving, but not injecting himself into the program.

The programs on C-SPAN are so informative, low-key, and varied that C-SPAN is becoming my most-watched cable station.
