

Sept. 13, 1993

Dear Mr. Lamb,

I am writing this note to you to ask why you never invite the editor of the Spotlight news or any of its investigating reporters. I am very curious why it has never been done. It seems only the political correct reporters from the political correct newspapers have the opportunity. There is more to America than being a Democrat or a Republican, I believe in America and its Constitution.

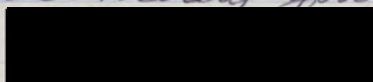

Also why have you not invited Fletcher Prody on your Booknote interviews. He has written some interesting material.

Last but not least patriotic events and protest to take place in Washington at the end of Sept. is

never mentioned.

I want to thank you for
taking the time to read this
note.

Sincerely yours
