Dear C-Span -

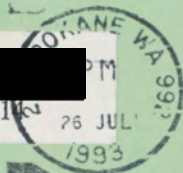

I'm a devoted "C Span
Tinkie" and am writing to
you because I have never
figured out how to get through
on the telephone to ask my one
question which is:

Why, when the Trilateral Commission
or the Bilderbergers are mentioned
no one on your staff nor any of
the guests will answer the question -
These 2 organizations run the world,
& set policy which, by the way,
only benefits the international bankers
& investors. This silence leads me to
believe that the press is either a part
of it or is suppressed by these
powerful persons.

Don't answer this letter by a form
letter. If there is an answer answer
me directly please. Yours, [REDACTED]
