

6/19/97

A love note to C-Span.
Not a day goes by but
I don't watch your net-
work.

You are doing a magnificent
service with the Alexis
de Toqueville series. The
book Democracy in America
is so apropos today.

The prison episode was
very well done.

Brian Lamb, as well as
all your people, do a
wonderful job throughout the
24 hour day.

We need you so very
much.

Love,

U-TocQ
