Dear People:

My words Cannot express my gratitude
for your wonderful Coverage of the
Republican Convention. I just Can't believe
that we Could have everything There
before us - just like being There or better.

We received our Cable stations just 3 wks.
ago. As far as I am Concerned, they Can
take away all the Major net works now.

C-Span is my station from now on.

From time to time, over several years,
I have written to or Called CBS, ABC,
NBC to tell them how they spoil our
Viewing by Cutting in on something I
Consider important & then they proceed to
give their opinions & tell me what I
Should believe. They are so irritating
many times I just turn TV off.

I know they give biased opinions.
I lived in Chicago when the Democratic
Convention came to town. (The Dems. leaders
& Mr. Carthy came there to get Mayor Daibey).
Of course, they didn't succeed, but they
sure messed up the beautiful park dist.
& streets & even Henthly-Brinkley did not
report the truth. I was there. I knew
what was going on. That's when I learned
that much media was & is biased &
I never watched CBS, NBC, ABC again,
believing that what I saw & heard was
the honest truth. That was an eye-
opener for me.

I rem. 4 years ago when someone would
be in the process of making a main
point in a speech, here comes Brinkley,
or Rather or Brokaw or who-ever —
interrupting to question a delegate or VIP.
I was infuriated & I'd write or call
to tell them so. Well, Thank God!
Now I have C-Span.

What a difference C. Span has made! Where
have you been all this time.

Thank you again, Very Much

P.S.
