Dear C-SPAN,

I am ^{very} upset because I have suspicions that programming is being suppressed & dictated by the powerful Washington elite - & the People are losing what they thought was their forum.

The reason I say this is because of the House session on the Motor-Voter Bill - otherwise known as the "Illegal Alien voting Rights Act of 1993" - which was supposed to be re-broadcast on Saturday & then was apparently suppressed.

I would like to know why this was done & I also think you need to get some members of Congress - including Rep. Dreier on to debate this before your viewers - & for Heaven's Sake re-broadcast what little debate was allowed in the House! Many times!

✓ I think this is a true EMERGENCY &
the People have a right to know that the
whole foundation of our democracy -
One Citizen - one vote - is being
negated!

Please Help! You are the biggest
hope the American People have to find
out what is really going on in
Washington!

And Thank You for all the good
you have done already - but please
don't let them take over our
channel!

Best Regards,
