Dear Mr. Lamb:

The purpose of this letter is to protest in the strongest terms C-SPAN's inclusion of Jules Witcover in the coverage of the events surrounding the death of former President Nixon. The comments by Witcover were absolutely out of place and the individual in your organization that was responsible for selecting him should be reprimanded.

I have long held the belief that C-SPAN supports the liberal agenda and the on-air comments made by Witcover only served to cement that belief. The reporter that was on the program with Witcover did little or nothing to redirect the commentary in a more appropriate direction.

I am appalled by C-SPAN's performance. I will keep your lack of sensitivity and sense of decorum in mind when the opportunity comes to place either of your services on CVI's cable systems in the future.

You
