Haiti

Dear C-Span -

I love you! But this
morning you disappointed me for the
first time. Subject - Haiti
& our policy there - Guests
were Sen. Pressler (R-^{N.H.} Sabota)
& a Mr. White (plus 1 journalist.)

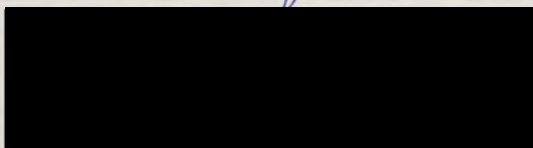

For the first time you were not
fair with the "in coming calls".
They ran 4-1 against Sen. Pressler
who was urging caution about
our entire Haiti policy. They
were "attack" type calls. It
was not a balanced pro- & con
presentation. With the
technology ^{now} available to "call-in" pro-
grams there is no excuse for this
one-sided appearance.

Please review the tape &
you will I'm sure see what
I am saying.

Brian Lamb is one of the best
things that has happened to this
country's press. The other
"C-span anchors" (& "anchors"
everywhere!) should watch &
review his style & ever-lasting
fairness.

Thanks again for C-span —
