Brian Lamb,

Great chat with Mr.
Henry Cloy. I intend to get
the book to read when I get on a ship in
Miami 4/10 bound for Nassau!

Brian Lamb - Please try to get Kevin
Phillips on for a long discussion about
his Opinion article on The Lies that
Larnish - The Web of Corruption that surrounds
Geo. Bush (in A. Times). It is devastating
although not unbelievable!
We voters deserve to learn all we can about
the elected representatives.
C-Span is providing valuable education
for all. Muchas Gracias!

Sincerely,
