Dear Dean,

Thank you for
the material you sent
about your program. It
gave me information I
had wanted to know.

Several weeks ago
you changed your call-in
hours then I was upset -
I have tried to get you
on the phone for over a
year, and finally wrote to
make my needs known. Others
can do the same.
Spain is the only true fair
reporting on Z.V.

I think this Mr. DeLaney
from the Post, is a real
cut, but I was glad
to hear his views, and
was surprised the Post
would have him in
their employ.

Inn, NBC, ABC, CBS—
all news is so very
slanted, never just
reported.

Yours is the only
one I feel we are
getting a real feel for
what is happening.

Please go back to
first come first serve
only fair Thank you
A true Admirer
