

Dear C-Span,

1641NAN 024000 JAN1491

Jan. 8

Thank you for your coverage of the Senate Ethics Committee Hearing. I've been watching every day since the beginning.

If I have to leave the house, I either tape it or watch your later broadcast. FEB 5 ANS'D

Suggestion: Whoever your announcer was today (Jan. 8) needs to get with it. He made three mistakes:

- (1) He announced they had recessed for lunch, when it was the morning break.
- (2) He said Senator DeLoach was a Republican.
- (3) He said Senator Pryor is from Oklahoma.

Sincerely,

[REDACTED]

P.S. I agree with  
the caller who  
didn't like it when  
Sen. DeConcini was  
allowed to come on  
without taking calls.

I have been  
trying to call in for  
2 months. Once I got  
a recording from our  
carrier (MCI) saying  
my call could not be  
completed. I even  
tried getting an AT&T  
operator, but still  
couldn't get through.

Guess I'll just  
keep trying!
