Dear Brian  
the Courts ought to be  
thankful for people like  
you & Rush to keep the  
balance - you both play  
it like it is.

Recently on your show  
Tom Spinitz? has  
it all wrong also he must  
well read the correct  
many presidents did not  
serve in the Military.

However none were  
draft dodges or ran away  
from the call to serve -  
another time & another  
place he would have been  
eliminated - if he didn't  
qualify! Keep up the good  
work.
