Dear Mr. Lamb,

This is a short note to express my appreciation for Booknotes as well as your expert questioning which draw from your guests the answers I want to hear.

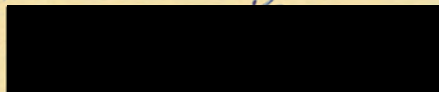

For example, reading Citizens about the French Revolution lead me into studying French as well as introducing me to an excellent author.

I really believe your courtesy and interest in the subject discussed

create a relaxing yet a  
stimulating atmosphere  
for guest and viewer alike.

Thank you for an  
interesting and educational  
hour each week.

Sincerely

SAN ANTONIO TX 78227-0036
