

O-CALL IN

9-7-95

Why are you wasting
time with the too long
very long Statuary
Hall segment? Good
Lord! Let the people
call in - You've done
this all summer &
it is very tedious.

The newspaper business
is tiresome enough, but
then you trail around
some hall or building
which you can't see
much of anyway &
the dull, dull commen-
tary of whatever dull-
ist is in charge.
Give the people more
time to call in.
