

If Susan Swain can't be honest
and fair she should not
be a host

I have watched C Span for quite
some time and I noticed all
Republicans get through on
the lines and only few
Democrats why? why? why?

If your station is running
a public service every one
is paying their fair share
and every one should be
heard

Why not let all employees
know they have to be
honest and fair regardless
of what ~~the~~ party they belong to

Susan Swain & few others
should be removed

O-WJ
R

They have Controls at their
desk of who gets through
there should be 1 Democrat
& 1 Republican each time
that's the honest and fair
way to do it. over over

"Others have made same complaints
and your station has not done
one thing to correct it.

Programs have been taped
for proof of what Susan
Swain & ~~the~~ others ~~are~~ ^{are} doing

Let's be fair & honest to
serve all people alike

Thank you
