Brian-

Thank you for giving me the chance to not only work at C-SPAN, but to work with you. It is probably cliché to say that it was an honor to work with you - but to me it truly was. Not because you founded the company, but because you are great at what you do and fun to be around. Though the work was challenging, it was always enjoyable and certainly memorable. Thanks again and keep in touch - as I will.

Love,

*Thank you*
