Dear Ladies & Gentlemen,
We receive our news through regulated press. We pay taxes to the IRS. Our money is no longer made of Silver and gold, we have traded our wealth for paper. Our life is now controlled by "our" government, while corrupted courts prevail. Our public servants don't uphold the solemn oath they've sworn. Guilty of drug trafficking, they prevent our POW's from coming home. Our leaders ship artillery and guns to foreign shores, sending our sons to slaughter, fighting other people's wars. You have prevented the truth from being heard!

I ask for your support for James "Bo" Gritz, in his Presidential Campaign efforts, and DEMANDS he be given media coverage!

If enough American people find out the truth of what our government and private bankers have done to us, then surely there will be a strong reaction to keep the ball rolling and recapture this once great nation

under "BO" Gritz, Capable of
leadership. If our nation falls, so
will the rest of the world.

NO NEW WORLD ORDER! We must
fight to save our Constitution,
the Supreme law of the land!

For the sake of the one's
you love, and we the people; you
must have courage and be
willing to stand in the light of
truth!

Time is of the essence! Please
pick up the phone and call

[REDACTED], ask for Sybil.

Our country desperately
needs your help!

Thank you,
