Dear Sir -

I Saw an ad for this
Sunday's Book Notes that
I think said the Mrs Clinton
book "It Takes a Village"
would be discussed.
If this is so I think it
is a mistake and a travesty.

First she didn't write the
book.

Second there was a book
Published in 1994 with
an identical title "It
Takes a Village."

I have watched SPAN
on a regular basis but
my interest has waned.
your choice of participants
have little to contribute.
Most are dull!!!

O-PK.

If you are foolish enough to discuss Mrs Clinton's book as a serious Contribution I think it would be a serious error.

By the the ^{way} librarian who brought the other book to Rush Limbaugh's attention said the ^{Clinton} book was essentially a copy of the ~~set~~ her book. She not only stole the title she stole the idea.

there goes your Credability.
