Dear Mr. Brian Lamb,

On the week of April 25 to May 1, I participated in the close up trip to Wahington D.C. It helped me to be more aware of how our government works.

While in D.C. I had the opportunity to see some of the different neighborhoods. I also had a chance to met with my Senators and Representative. I attended many seminars with many interesting speakers. One of the most interesting places I was able to visit was the Islamic Mosque.

Thanks for your support of the Closeup Foundation. This is one trip I will never forget.

Sincerely,
