Gentlemen,

I watched your program on Northern Ireland, I wish to commend you and everyone who had anything to do with the production, direction and camera work ect, it was one of the best programs I have seen in many years. It was fair, it was to the heart of the matter. You put the other networks to shame. The truth about Northern Ireland has yet to be told in this country, perhaps you have made an important start, and I thank you for that.

Sincerely
