Why do you have only
left-wing, liberal, socialistic,
democrats on your program?

I see nothing but opinions,
and they are only opinions,
pro-socialism, pro-Clinton,
pro-Mrs. Clinton, when

the majority of the people
are not for this crap,

trying to be forced down our
throats. I am against

NAFTA, FICA, Fairness

Doctrine, the national

(socialistic) Health Plan,

Gun Control, and Government

control of my freedoms. I

praise those fighting abortion

clinics. Sexual harassment is a bunch
of crap.

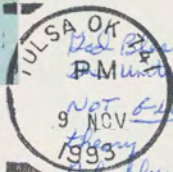

Sincerely,

AS, BS, MS
