LOUIS FARRAKHAN

To Whom, etc., Especially Louis Farrakhan:

Since Louis Farrakhan praised MUHAMMAD - al-QADHFI, and even touched on security issues, all I could think of was the Lockerbie Incident.

What about Qadhfi protecting those two BASTARD terrorists who were responsible?

Louis? - Louis??? Not a word!!

Tell you what Louis, all your so-called positive results don't add up to a hill-of-beans when it comes to those irrevocably wasted lives and the anguish caused to their relatives!

Louis - Go live in Libya - you don't deserve the freedom of speech or the freedom of living in the United States of America!

Shame Louis, Shame!!

UN-RESPECTFULLY,

Ex U.S. Marine

8. Farrakhan

P.S. Until C-span 2, the National
Association of Black Journalists, or
especially Louis Farrakhan can
convince me otherwise ... I will
retain my viewpoint as indicated!
