Dear Mr. Lamb:

I really enjoyed your book, "Who's Buried In Grant's Tomb?" I have been collecting music for a number of years now & your book inspired me to make you a tape of songs related to the Presidents. Unfortunately, I couldn't completely fill up a tape & not wanting to send you a tape with a blank side, I put some of the Edward R. Murrow box set I have. I hope you enjoy it. Keep up the great work at C-Span. You & Susan are my favorite anchors.

Sincerely,
