Gentlemen:

I am very sorry to have missed your April broadcasts of the Atheist Convention in St Petersburg FL last April. I do not know how we missed it my wife and I watch your programs regularly, sometime all day!

Anyway I just want to commend you for airing such a program. Most of the local stations would never dare to do such a thing. I get very tired of looking at so many religious programs day in and day out that it is refreshing to learn the other side of the question for a change. I hope you have more of them.

Sincerely
