O.WJ

Dear Mr. Lamb, Thanks for CSPAN 1 & 2 (seen on satellite). your morning show today was the best in the past yr. Please schedule Ms. Birch from the "Human Rights Camp" and Mr. John McManus (John Birch Soc.) again soon!

Much better than you having the same Brain-dead journalists on every week. The L.A. Times editor is the most boring & the worst guest you regularly have. [REDACTED] No
