Dear Mr. Lamb,

you render a much
needed service - contemporary
affairs on a dignified unbiased
plane. It was therefore a
shock to have a pleasant,
sober discussion (Kirkpatrick,
Baker, Salinger) destroyed
by the vicious, mean attack
on Pres. Bush by Salinger. Why
does that crowd show such
hatred for Pres. Bush and
Pres. Reagan?

I am a good Democrat.

I hope he is made to
understand that he denigrates
himself by such actions.
