

Dear Brian:

3/31/94

Here is more junk mail for your waste basket. I know you get enough opions to drive you up a wall. Sorry but here is one more. This one is a lulu. Stop all presses shut down all Media.

Give the population a K.O. Pill strong enough to last until 1996. When the politicians wake up give them a glass of water and another K.O. pill

Now set up a all black government state and federal.

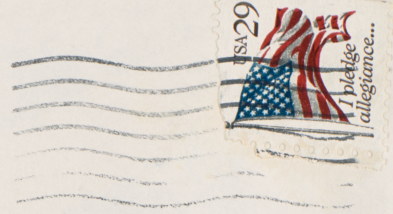

That should give us a decade of grace before it to gridlocks.

P.S. I am of the white race.

Have a nice day

and a screw Ball.
like most Republican's
