Washington DC 20001

Dear Brian -

14 Feb '92

Thanks to C-SPAN for carrying the
Mario Cuomo - Harvard University Speech
last Wed. night. It's nice to see the
complete speech & question/answer time
without any interruptions. Keep up the
good work, esp. during presidential
campaigns. The networks only give us
"sound bites" - C-SPAN gives us the works!
Thanks!

Art Wayne IN
