Dear Mr Lamb,

I want to thank you for all the support that C-Span has given the Close Up program and Santa Fe High School Close Up students.

Close Up is one of the most wonderful educational experiences that a student can have. It brings to life all the important issues of American government and history.

The tardiness of my students thank you letters is my fault. They turned their letters into me after our Christmas break. However, with grading of semester exams, averaging of grades and a school evaluation, it is only now that I've been able to forward these responses of the Close Up experience to you.

I'm sorry for the delay.

Sincerely,

Dr. Mr. Lamb;

My name is [REDACTED] a student at [REDACTED] in Santa Fe, New Mexico. I was recently in Washington DC. with a big foundation called Close Up. Our group went into your studio for an interview on the Palestine/PLO peace talks.

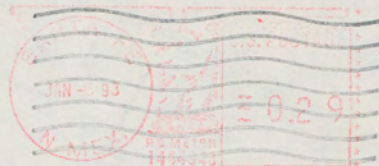

While I was in Washington, I had a few experiences that I thought were incredible. One very important place I got to visit was Capital Hill. We toured Capital hill and listened to our Senators and Representatives work on the different important issues that concern not only our country but issues dealing with other parts of the world. Two very important issues we listened in on were NAFTA, in the House of Representatives, and the Brady bill in the Senate.

Another place we got to visit was the United States Supreme Court. We got to hear our Justices in action. I got to hear a case involving a famous band, "Two Live Crew" and problem with a song that they were singing. The last fascinating place I visited was the Holocaust Museum. It was a very sad sight to see but I learned so much from it.

I want to thank you for taking time from your busy schedule to greet and help our students. I know you have gone to great efforts for Close Up and for the students that participate. I want to especially thank you for your financial support to Close Up. Without your contribution, Close Up could not stay in business. Close Up is the best education I have ever had. Please continue to support Close Up, so it can make tomorrow's future even better. I want to thank you for your time.

Sincerely, X [REDACTED]
