RE: Journalistic Incompetence

Dear Brian:

I have listened to C-Span for a number of years and, in general, have appreciated C-Span's contribution to educating the public.

What we cannot understand is why about 90% of the time, you continue to select liberal socialistic journalists as being authoritative.

I really don't believe you are aware of the tremendous bias and lack of competence C-Span promotes by using these people. Hopefully you will take time to study the findings of Lichter, Rothan, Lichter in their book The Media Elite.

Surely you will see that C-Span is either knowingly or unwittingly inflicting great harm on the future of America.

I would appreciate a response.

Sincerely,
