Dear Brian,

1. I'm 65 and I don't feel "somewhat old" at all!
 2. How come you don't say "How come" nearly as frequently as you used to?
 3. You are at your best (in my opinion) with young reporters and writers like the ones on the roundtable today. Great program!
 4. I think you are like I (and David Gergen) am - a Republican who voted for Clinton.
