re today's "Wash
Journal" -

Again, I take
issue with your format:
1 Dem + 1 Rep. (advisors)
I know what each will
+ does SAY! absolutely
hopeless, in most cases -
we cannot have real

well-informed public if we allow one voice
vs. a 2nd voice with NO one present to
contest or verify statements - totally political, &
therefore of little real use - This format works
with 2 intelligent writers/columnists, etc. who
may be partisan but are able to argue/discuss
above politics (eg, Wm. Buckley, G. Will, Crystal,
NOVAK, Hitchens, & many more -) but 2 vers
partisan politicians is hopeless - absolutely NO real
insight or TRUTH - they live thru their teeth - there are
paid advisers! How can we learn anything from them,
except partisan ship??
