O.W.)

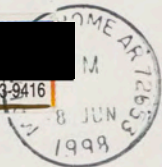

Dear C-SPAN Managers:

It was a pleasure to listen to Ms. Ann Coulter from Human Events today. She is obviously an honest, straight-forward young woman. Listening to most politicians one becomes accustomed to hearing a lot of gobbley-gook. We watch C-SPAN hours daily. It has been a marvelous education watching and listening to our government in action. We are distressed by the way the Federal Govt. has attempted to take over all the proper functions of the state governments. This has nearly destroyed public education and has certainly demeaned national arts. Fed. Government is like an octopus extending its talons to destroy the entire country.

Sincerely, [REDACTED]
