Brian Lamb,

I thought you might want to hear my version of the Ten Commandments. I call it:

TEN COMMANDMENTS OF THE 1990'S

I am the Lord thy God which brought thee up out of the land of Egypt.

It is perhaps inappropriate to have any other gods before me.

It is perhaps inappropriate to make unto thee any graven image.

It is perhaps inappropriate to take the name of the Lord thy God in vain.

It is perhaps appropriate to remember the sabbath day, to keep it holy.

It is perhaps appropriate to honour thy father and thy mother.

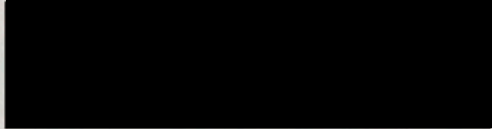

It is perhaps inappropriate to kill.

It is perhaps inappropriate to commit adultery.

It is perhaps inappropriate to steal.

It is perhaps inappropriate to bear false witness.

It is perhaps inappropriate to covet thy neighbor's wife, nor anything that is
thy neighbor's.

P.S. If Clinton is the "teflon president",
then Ginsberg is the "velcro lawyer" because everytime he gets close
to a microphone he sticks to it.
