

9:23 am, Sat, 7/10/99. Dear
Norman Podhoretz, You're on
C-SPAN RIGHT NOW talking about
gossiping. Here comes your 'pregnant
with meaning' story: (You
how to give details, but
ting details) (I started on
say getting older myself (56,
well appreciate his notes.
minute speech) (I'd like to
your mother. Did he talk
time as a kid? Could he +
you into anything just by
on + on but so interestingly
(~~See~~ Here comes your
story). Sounds like Augie W
was your first 'take a sta

I for one am glad I turn
C-SPAN cause my prejudice
such that I love Jews, Jewish
wit + intelligence * + by chance I'm

going to the library &
I'll look at a COMMENTARY
& see if I can get / reserve
your book. I'm wondering
if your writing style will
be different from your speaking
style which I also wonder
~~whether it is~~ is one more authentic
than another. I like to write,
am somewhat inhibited in
speaking other than when I'm
smoking pot. Now had you brought
that subject up, I would have
known I should write you.
