Rthn: Brian Lamb -

I have been trying to get thru to the AM call-in program for 3 yrs. If there is a secret I'd like to know what it is? I do appreciate C-Span immensely and believe it has done more educationally than any other TV network in regards to our political system. I also congratulate you on your call-in shows even though I'm unable to get through. Please invite a more eclectic list of guests. I'd be more impressed with some reporters from Harpers, The Nation, Atlantic and other Journalists whose views are less to the right. The Persian Gulf crisis is important but there are other issues that are important. S+L, Sud, Nominee, Education, National Health Care, Child Care. I wish I could forget my taxes to these areas. "We" should never have been involved in Iraq.

Sincerely, [REDACTED]
