Dear Mr.Lamb,

Saw you at the National Press Club today, and decided it was time to write to C-Span and tell you how much we appreciate you. It is our very FAVORITE CHANNEL.

The Cable Co. that is here in Abilene recently said they were going to eliminate several channels from the SKINNY, or the simplest cable plan that many of us are on. We really raised a fuss, and the City Commission went to work on it, and the enclosed article recently appeared in our local REFLECTOR CHRONICLE paper. So.....we still have you! Thank goodness. We watch C-Span and A and E, most of the time. (including C-Span)

We feel that the networks and the media feed us so many lies.....and C-Span allows us to come to our own conclusions on a subject. You treat the issues so unbiased and yet we learn the facts. Someone else's opinion is not crammed down our throats.

It is a crime the way the media has treated Rep.Newt Gingrich, and has just failed to hardly ever mention Pres.Clinton and all of the "gates" of the past. Before the election, we could not believe how they lambasted Dole-Gingrich.....one would have thought that was the Republican ticket, and poor Jack Kemp hardly ever was mentioned. Someone sure has it in for Newt.....but WE LIKE HIM.....and we feel he has done a good job. Nobody is perfect, and he has admitted his mistakes. Has the White House done that?

Kansas being Eisenhower and Dole country....we are proud to live here.Last summer when we heard that the C-Span bus was coming here, we went down to Eisenhower Center to see it.....Met David Almacy, and Bob Palmer was very kind to show me through the bus, and we enjoy the cards, the literature, pencils etc. Thank you very much. It is great. We have never known when to view the film they made at Eisenhower Center in July. I wonder if it is yet going to be shown? If so, would appreciate knowing when.
I took this photo of Mr.Palmer there at the center. He is from Pennsylvania and I was too at one time...Canonsburg, Pa.....near Pittsburgh.

Thank you again so much for C-Span...You make our day!

Sincerely Yours,

Abilene Kansas
