Can you give ^{me} some information on a program that I hear is to be on the C-Span Channel,

MAR 30 ANSD

The General Federation of Women's Clubs is to have a video telethon on April 24, 1990, telecast at 7 P.M. - 9 P.M. E.S.T. Our national magazine had an article about the telethon being shown on the C-Span channels.

Can you give me some definite information on this from your schedule, as to whether it will be telecast, and if so, whether live or delayed time? I will appreciate an answer,

Thank you,
