Dear MR. Lamb:

I listen to C-SPAN every day and I appreciate the Program. on several programs I have heard several of your guest say there is no Comparison between "WATERGATE" and "WHITE-WATER GATE". I tend to agree but why is "WATERGATE" worse than "WHITE WATER"?

In my opinion "Watergate" was the theft of POLITICAL SECRETS where as "Whitewater" was a theft of taxpayers money. Which is worse.

please ask your Panelist to comment on this.

Sincerely,
