Gentlemen:

On Saturday about 10:30 AM  
on C Span I watched several high school  
students discuss current affairs.

FOR ME The program brought back some faith  
in our younger generation. There was  
more common sense shown than I have  
seen displayed from the president on  
down. I hope our politicians were  
able to see this program but  
probably not.

I am 70 years old and at four

your Veterans of V/W II.

Programs like that should be shown more, maybe this "elections" would learn something.

Thank You

Ross Perot is in C Span now, would vote for him as independent if he would run.

Don't know address of C Span, maybe you can see that they get this

Thank You
