My Dear Mr Lamb:- It is high time you identified yourself to the audience of C-Span. Tell us, are you a member of the Trilateral Commission? the Council on Foreign Relations? the Order? or all three? Once again you provide a platform for anti Americanism and now Communism. Mark Shkundin spewing his Soviet propaganda. Clean up your act. Invite as your guest a true blue American patriot. Lt. ^{Col}~~General~~ James "Bo" Gritz or and John LeBoutillier both of whom are very knowledgeable about drugs and our live Pows and MIAs. Stop being a consistant mouthpiece for the establishment (BIAS) and providing a platform for those who put self-interest above the best interest of America. You need to STUDY American History. Research it, and get to know the Constitution by heart. Imagine one of our forefathers(one that gave us our Constitution is standing at your elbow, just perhaps? you will find yourself loving your country, wanting it to survive with it's Constitution and sovereignty in tact as it was

over

intended to be by those glorious Patriots.

I will be watching and listening to learn ~~id~~ if you get my message. I will compliment when there is cause and continue to criticise when you do anything which I know to be harmful to America. I defend the right of free speech but with that free speech the people should have the right to KNOW where that free speech is coming from. How did she or he vote or would they vote on the issues ~~dis~~ discussed on C-Span? Are they ONE WORLDERS?. Give us this information on those you provide a platform to. THEN, I could NOT call you biased.

Very truly yours,

P.S. Please excuse many typographical errors I'm a hunt & peck variety and when I'm distressed about anything my mind races ahead of my typing ability - Suggest you get yourself a paper back by Larry McDonald called "We hold These Truths"

Say **NO!** to the NEW WORLD ORDER

The New World Order views of Rockefeller, Kissinger, Brzezinski and others in the CFR/TC "inner circle" are not shared by all members. Some join for prestige and to further their careers. Some are invited in for "window dressing." All Americans should closely examine the disastrous results of foreign and domestic policy formulated and implemented by the CFR through the years without public knowledge.

International Bankers and heads of Multinational Corporations are now bankrupting our government with their influence through the Council on Foreign Relations (CFR) and the Trilateral Commission (TC). They become bolder, ever bolder, each year! Now the corporation heads are trading with Communist countries and Third World nations on cheap interest loans that these nations get through U.S. Government guarantees, backed by the money and credit of U.S. taxpayers.

Bella Dodd, former member of the National Committee of the Communist Party, U.S.A., said, "I think

the Communist conspiracy is merely a branch of a much bigger conspiracy! . . . I would certainly like to find out who is really running things."

Senator Goldwater said, "The IPR (Institute of Pacific Relations) was behind the decision to cut off aid to Chiang Kai-shek (in China) unless he embraced the Communists, and the CFR was the parent organization of the IPR." [With No Apologies, p. 279]

"When a new President comes on board, there is a great turnover in personnel but no change in policy. Example: During the Nixon years, Henry Kissinger, CFR member and Nelson Rockefeller's protege, was in charge of foreign policy. When Jimmy Carter was elected, Kissinger was replaced by Zbigniew Brzezinski, CFR member and David Rockefeller's protege." [Ibid]

THE FACT FINDER has been written and published twice monthly since November 1942 by Harry Everingham in Chicago, Phoenix and Scottsdale, Ariz. Harry Everingham is national president of WE, THE PEOPLE, UNITED!, president of the Arizona Breakfast Club, and editor-publisher, The American Patriot.

The late Johnny Stewart, conservative writer, publisher and air pilot of Waco, Texas, did more than any one in his time to research and expose the subversive forces that control our government. What's more, he did it in charts, naming people and positions of power, as well as their affiliations with the CFR and/ the TC.

Stewart said, "The CFR has completely dominated the State Department, the Cabinets, and chief advisory posts of the Roosevelt, Truman, Eisenhower, Kennedy, Johnson, Nixon, Ford and Carter Administrations without public knowledge." This did not end with Reagan and Bush.

Here are some of his startling facts presented in graphic form for all to understand. He started printing these over ten years ago. Many other authorities on this subject have confirmed Stewart's facts.

Barry Goldwater said, "When we change Presidents, it is understood to mean the voters are ordering a change in national policy. Since 1945 three different Republicans have occupied the White House for a period of sixteen years. With the exception of the first seven years of the Eisenhower Administration, there has been no appreciable change in foreign or domestic policy direction."

Stewart also says, "Many people no longer vote. The more they vote, the more things stay the same. The reason: In 1952 and 1956 it was CFR Stevenson vs. CFR Eisenhower. In 1960, CFR Nixon vs. CFR Kennedy. In 1968, CFR Nixon vs. CFR Humphrey. In 1972, CFR Nixon vs. CFR McGovern. The Rockefeller clique was sure to win, no matter which candidate emerged victorious."
